STUMPAGE/RENT DISBURSEMENT REPORT
FOR 1ST JANUARY 2010 30TH JUNE 2010**

1.0 INTRODUCTION

The Office of Administrator of Stool Lands (OASL) and Forestry Commission (FC) are responsible for the management of the Forest proceeds on behalf of stools / landowners. While the FC manages the Forest and collects revenue by way of stumpage, the OASL ensures that the stool /landowners are fairly treated in the context of the disbursement prevailing laws.

To enhance transparency in the disbursement of any forest proceeds, the OASL and FC have jointly agreed in a memorandum of understanding to publish this report.

2.0 FEES FOR THE MANAGEMENT OF FOREST RESERVES.

For the management of the Forest on behalf of the Government and the Stool/ Landowners, the Forestry Commission is authorised to retain some percentage of the stumpage as fees.

Such fees are applied to finance staff remuneration, administration operational (services) and investment (capital) expenses. Currently the following rates are applicable.

TYPE OF FOREST	FC'S SHARE	STOOL/ LAND OWNERS AND OTHERS SHARE.
ON-RESERVE	50%	50%
OFF-RESERVE	50%	50%

Thus, 50% of any shareable revenue from Forest Reserve and Off Reserve are retained by FC as Management fee whilst 50% are disbursed to Stake-Holders as stated in paragraph 3.0 below.

3.0 BASIS OF DISBURSEMENT

Section 267 (Sub-Section 6) of the 1992 Constitution of the Republic of Ghana provides that the net Revenue accruing from Stumpage/Rent after providing for FC's management fees and 10% for the OASL which shall be deemed as 100% for the under stated stakeholders shall be distributed as follows:
